

Holstr - Multi Use Hook

Contents

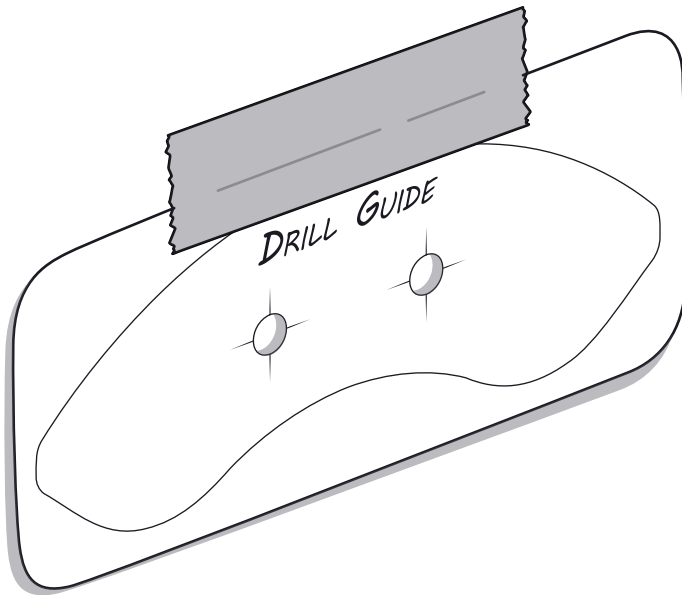

You will
need:

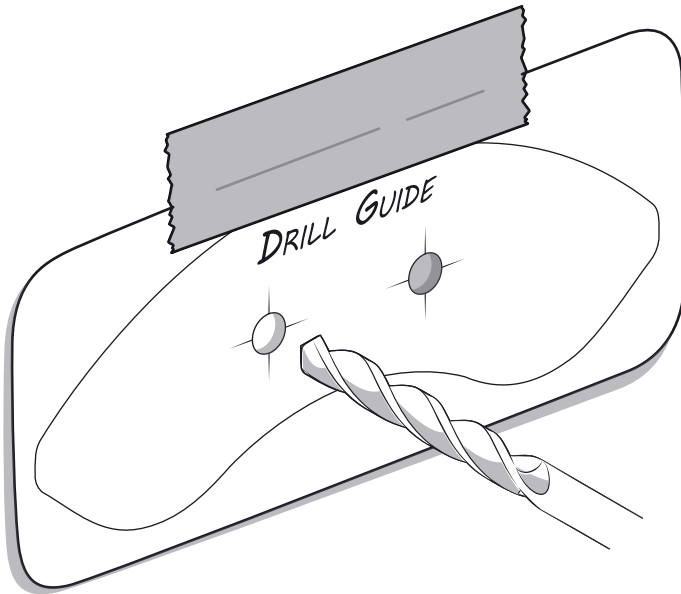

1

Pick your spot, secure the drill guide with masking tape, and steer clear of pipes and cables.

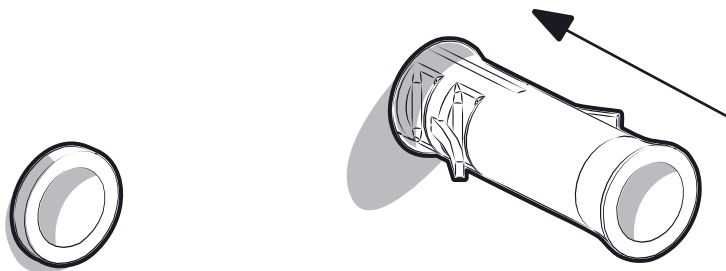

2

Drill both holes with a 5mm bit, nice and steady.

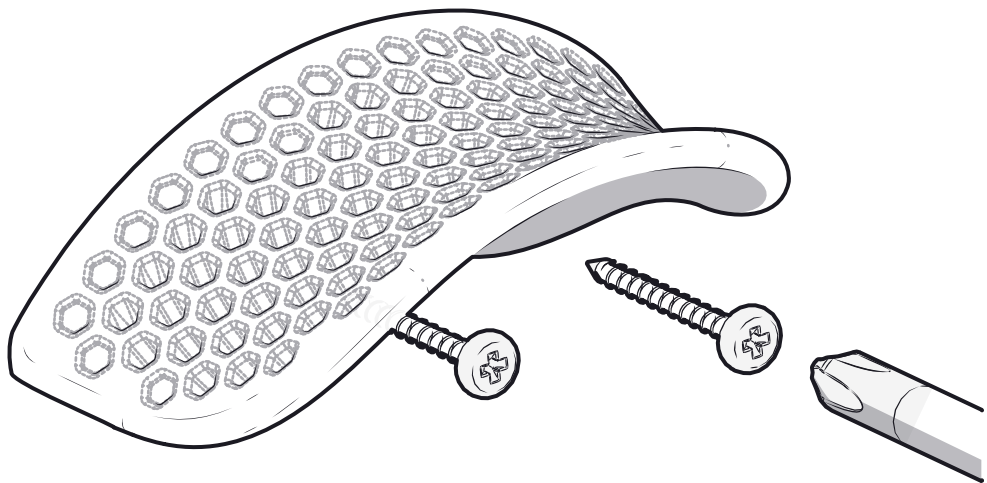

3

Pop off the guide and push in the supplied wall plugs till they're flush

4

Screw the hook into the wall, don't over-tighten.
Job done!

Safety + Precautions

- **Safety Warning:** Contains small parts – choking hazard, keep out of reach of children.
- **Intended Use:** Designed for lightweight accessories only, such as hats or headphones. For indoor use only.
- **Installation:** Designed for dry/stud wall installation. Use appropriate fixings for your use case.
- **Handling:** Ensure installation is performed safely using correct tools. Avoid any plumbing or electrical work.
- **Maintenance:** Check hook is firmly secured before use.
- **Maximum Load:** 2 kg (4.4 lbs). Do not use to support body weight or heavy objects.

The logo for Mukr Creative features a stylized letter 'M' on the left, composed of black, teal, and white geometric shapes. To its right, the word 'MUKR' is written in a bold, black, sans-serif font. Below 'MUKR', the word 'CREATIVE' is written in a smaller, teal, sans-serif font.
